

Unigen recognizes the importance of conducting business and managing environmental issues in a responsible manner.

We are committed to minimizing our environmental impact by following these principles:

- Comply with applicable environmental regulations and other requirements to which the Company subscribes to
- Conduct operations in an environmentally sound manner to prevent or minimize any adverse impact
- Apply the principles of “reduce, reuse, and recycle” in all applicable processes
- Promote environmental responsibility among employees
- Pursue continuous improvement in our environmental performance
